

CDMP Mastery Program (DMBoK2 Full Course)

Program Overview

Durga Analytics offers the **Certified Data Management Professional (CDMP) – DMBoK2 Mastery Program**, an instructor-led, end-to-end training solution designed to prepare professionals for the globally recognized **DAMA International CDMP certification**.

Program Deliverables

- **Instructor-led training:** 4–5 days of intensive training (live online or classroom).
- **DMBoK2 Guide:** Official DAMA Data Management Body of Knowledge (DMBoK2) book included.
- **Comprehensive study material:** Slides, handouts, practice exercises, and quick-reference guides.
- **Mock exams & quizzes:** Simulated CDMP practice tests.
- **CDMP exam voucher:** One official DAMA exam attempt included.
- **Post-training support:** 2–3 follow-up Q&A sessions.
- **Certificate of Completion (Durga Analytics):** Awarded to all participants.
- **Session recordings** (for online mode): Provided for revision.
- **Community access:** Alumni forum for peer discussion and knowledge sharing.

Optional Add-ons: - One-on-one coaching for exam prep. - Extended exam retake support.
- Additional study group workshops.
